Grooming

Here at 2 Left Paws we offer a deluxe grooming experience for your dog. We use only the best products and equipment to achieve the best groom possible for you and your friend. All of our staff are trained to the highest standard and will love your dog like you do. We base all our pricing on a variety of factors, including but not limited to:

- ✦ How regularly your dog is groomed
- ✦ Their coat type
- ✦ The condition of their coat
- ✦ Their behaviour during the groom
- ✦ What type of groom you have i.e., length, style, handstripping etc.

For example, a cockapoo that visits 6-weekly with a well-maintained coat will be cheaper than a cockapoo who comes every 6 months who is overgrown and matted, as there is more work involved with this. For this reason, we are unable to supply a fixed price list per breed but as a guide we have included the usual guide prices for some of our most popular breeds on a regular grooming 6 weekly schedule.

Grooming GUIDE PRICES

- ✦ Cockapoo from £65
- ✦ Labradoodle from £85
- ✦ West highland white terrier from £60
- ✦ Miniature schnauzer (CLIPPED) from £60
- ✦ Springer spaniel from £65
- ✦ Cocker spaniel from £65
- ✦ Border Collie from £95
- ✦ Bernese mountain dog from £100
- ✦ Chow Chow from £150
- ✦ Miniature poodle pet trim from £60

We strive to ensure our regular customers receive lower prices as we feel it is very important to reward our loyal four-legged friends. Please feel free to **contact us** for an initial quote. Please note all telephone, email and Facebook quotes are a rough guide and may change after the groom due to unexpected issues with behaviour or coat condition. We always try to give you the most accurate price and will always inform you of any extra matting, behavioural or flea charges.

***Please note we only offer grooming services to giant breeds who are on a regular schedule.**

Creative Grooming

From a fancy mohawk to a rainbow tail, we've got you covered.

***Please note all creative grooming requires a patch test 24 hours prior to appointment. Please **contact us** for an initial quote.**
